(Richter, Head of Product Engineering & Development)

The declaration certifies the conformity with the mentioned directives, it does not contain any warranty of properties in the sense of the product liability law, however. The safety hints of the product information supplied with the product must be observed. In case of a modification of the appliance not agreed with the manufacturer and of non-observance of the safety hints this declaration loses its validity.

Translation of the Original Declaration of Incorporation of Partly Completed Machinery

according to EC Directive 2006/42/EC (EU Official Journal L 157/24 of 9 June 2006)

for in Table 1 mentioned products:

ARI-Armaturen GmbH & Co. KG as manufacturer herewith declares, that the products mentioned above meet the following basic requirements of the **Machinery Directive (2006/42/EC)**:

Annex I, Articles 1.1.2, 1.1.3, 1.1.5, 1.2.1, 1.3.1, 1.3.2, 1.3.4, 1.3.7, 1.3.9, 1.5.1, 1.5.3, 1.5.4, 1.5.5, 1.5.6, 1.5.7, 1.5.15, 1.6.1, 1.7.1, 1.7.2, 1.7.3, 1.7.4

The following harmonised standards have been applied:

EN ISO 12100: 2010

ARI-products are designed for assembling with electric, pneumatic and hydraulic thrust actuators. ARI-products must not be put into service until the final machinery, into which they are to be incorporated has been declared in conformity with the provisions of the EC Directive 2006/42/EC (EU Official Journal L 157/24 of 9 June 2006).

With regard to the partly completed machinery, the manufacturer commits to submitting the documents to the competent national authority via electronic transmission upon request. The relevant technical documentation pertaining to the machinery described in Annex VII, part B has been prepared.

1) DIN EN 12516 / DIN 3840

Schloß Holte-Stukenbrock, 26.07.2023

 (Richter, Head of Product Engineering & Development)

The declaration certifies the conformity with the mentioned directives, it does not contain any warranty of properties in the sense of the product liability law, however. The safety hints of the product information supplied with the product must be observed. In case of a modification of the appliance not agreed with the manufacturer and of non-observance of the safety hints this declaration loses its validity.

Manufacturer's declaration acc. to Pressure Equipment Directive 2014/68/EU, article 4.3

(Translation of the original manufacturer's declaration)

Herewith we declare:

**ARI-Armaturen Albert Richter GmbH & Co. KG,
Mergelheide 56-60, D-33758 Schloß Holte-Stukenbrock**

that the design, manufacturing and inspection of this pressure equipment meet the requirements of the pressure equipment directive, Article 4.3 with the following wording:

Pressure equipment and assemblies below or equal to the limits set out in points (a), (b) and (c) of paragraph 1 and in paragraph 2 respectively shall be designed and manufactured in accordance with the sound engineering practice of a Member State in order to ensure safe use. Pressure equipment and assemblies shall be accompanied by adequate instructions for use.

Without prejudice to other applicable Union harmonisation legislation providing for its affixing, such equipment or assemblies shall not bear the CE marking referred to in Article 18.
